OVERVIEW Project room M54

WHAT TO EXPECT - Project room M54 - A room with a vision

The M54 project space at Morsbergerstrasse 54 has been a permanent fixture in the Basel art scene for many years. On the initiative of Visarte, the professional organisation for visual artists in Basel, this space provides a platform for a diverse local art scene.

With a generous exhibition space of over 288 square metres and an impressive room height of up to 5.80 metres, the M54 offers artists a unique setting for their works. Whether painting, sculpture, installation or photographic art: both established artists and young talents will find a place here to present their art to a wide audience.

The light-flooded rooms and flexible design allow for a variety of exhibition formats and offer an inspiring environment for both artists and visitors.

The M54 project space is not only a place for the presentation of art, but also a meeting place for art lovers and a centre for the exchange of information on current developments in the art scene.
