Price List ARTdeSUISSE Zürich 2026 Spring- and Autumn Edition

An additional CHF 95 is charged per exhibitor. This is an essential component for a successful exhibition. It is used to finance further PR campaigns such as posters, online catalogue and other advertising measures. With this payment, all exhibitors make a proportional contribution - regardless of the size or quantity of the exhibition space.

WHAT YOU CAN EXPECT

The Kronen Galerie is located in the historic old town of Zurich. It is the ideal place to present your art to a wide audience. Surrounded by medieval alleyways, the lively Niederdorf and famous sights such as the Grossmünster, this location offers an extraordinary backdrop. Famous personalities such as Gottfried Keller and Lenin lived just a few blocks away. The Cabaret Voltaire is also just a stone's throw away - the cradle of Dadaism.

ARTdeSUISSE Cosmopolitan is organising the second and third joint exhibitions in May and September 2026, where up to 14 artists can show their works.

Whether paintings, photographs, installations or sculptures - you will find an open audience here. Benefit from the high visitor frequency in the heart of Zurich. The Kronen Galerie offers a stylish ambience and ARTdeSUISSE provides everything you would expect from an art fair.
