Pricelist ARTdeSUISSE Zürich 2027

AUTUMN EDITION
30 September –
3 Oktober 2027

An additional CHF 90 is charged per exhibitor. This is an essential component for a successful exhibition. It is used to finance further PR campaigns such as posters, online catalogue and other advertising measures. With this payment, all exhibitors make a proportional contribution - regardless of the size or quantity of the exhibition space.

WHAT TO EXPECT IN THE CENTRE OF ART AND CULTURE

The exhibition venue has a special location, from here you can walk to the Bellevue in three minutes, the Paradeplatz in six minutes and the main train station in 8 minutes. Furthermore, the Kunsthaus Zürich and the Grossmünster are only a stone's throw away. From narrow, historic alleys, narrow stairs lead to small, winding rooms. At Trittligasse 4 you step through a glass door and a modern, light-flooded hall is revealed to you.

A ramp leads down into an ever-increasing room, which is up to six meters high. Large skylights illuminate the room to the furthest corner. Sound-absorbing panels below the roof windows and on the ceiling ensure pleasant room acoustics. The walls of this windowless hall are dedicated solely to art. In this way, the guests are not distracted during their visit and can devote their attention completely to the exhibited works and the artists present.
